

# A Message from Gary Duncan

KFUORadio’s annual Sharathon is one of my favorite events each year. As the executive director of KFUE, I don’t get to spend as much time in the studios as I would like, but for three very special days, all that changes. I get to be in the studio talking with you, our listeners and partners. It is a joy to hear from you and it is encouraging to know that the work of KFUE is touching lives and bringing the Word of God to the world.

This is why this event was called “Sharathon” so many years ago. KFUE is all about sharing Jesus with others. During Sharathon we include much of our regular programming, but we also invite special guests, LCMS ministries, and underwriting partners to share how they are reaching people with the Gospel and how KFUE helps make their missions more impactful.

This Sharathon, I hope you’ll tune in for our special programming, but even more, I hope you’ll give us a call. I and the rest of the KFUE team would love to hear from you. Perhaps we’ll even ask if we can share your story on the air! That’s what makes radio so special!
